ideasUK 30th International Conference 2016

9-10th November 2016

Hensol Castle, The Vale Hotel & Spa Cardiff

Every year ideasUK provides a forum where experts in Ideas and Innovation Schemes from all over the world will attend and speak and share best practice.

In recognition of the most significant ideas implemented by organisations, ideasUK organises the '**Idea of the Year**' competition. This competition seeks to recognise employees and organisations for their outstanding ideas.

Not only does the competition provide an opportunity for participating organisations to benchmark themselves against other leading organisations, but it also acts as a motivational tool for employees.

Once again we are offering some unique sponsorship packages. A great opportunity to have your company name associated and promoted by ideasUK. There are a limited number of packages available, so early commitment is required to secure.

- Diamond Sponsor - £10,000.00
- Sapphire Sponsor - £5000.00
- Emerald Sponsor - £1000.00

Please see the attached breakdown to find out what each package can offer your organisation.
